PODER Parent(s),

With flu season upon us, it can difficult to decide whether you should keep your student(s) home or not. Per the Cheyenne-Laramie County Health Department, for any viral or bacterial infections your student(s) should not: return to school for at least 24 hours after the start of appropriate treatment, return to school until 24 hours without a fever and without medicines to stop the fever, return to school until 24 hours after vomiting and/or diarrhea stops. It is imperative for the health of all students and staff, that these guidelines are followed accordingly. Please feel free to contact the school if you have any questions. Thank you!
